“ *Bill, Herb, and family...I did not realize your mom had passed until I inadvertently saw it on the internet a few minutes ago, I know she had good family support from you and that hopefully made her last few years more enjoyable since she didn't have your dad around. My thoughts are with you. Having gone through it myself many years ago, I know you will miss her but not a day will go by that you won't think about her. She'll always be there in spirit. Take care*
