“ My prayers for Edna's family during this time. I know they will miss her. Sister Edna was always a caring Sunday School teacher for ALL her students - they knew it. May the Lord help ease the pain the family feels. Edna's rejoicing has begun in the presence for the Lord. God Bless.

“ You always wonder if a person is as loving and spiritual at home as they appear at church. Most definitely YES she was! She was a perfect example to her grandchildren. She showed them how to be a wife, a supporter, a best friend to her husband. She showed them how to be a mother by loving, encouraging and supporting her son. She showed them how to love one another and to forgive others. As a grandmother she loved and adored her grandchildren, she always had a smile on her face when she saw them and yes she spoiled them. Made their favorite foods when she knew they were coming. Edna was definitely was a woman of God. You will always be loved and missed !

“ that is awesome Lisa...I think of that too...she was a wonderful person and will be missed.... a lot of my memories are tied to you and the church Lisa and they are ones I treasure, love you for those. Joe brought me to Christ during vacation bible school when I was 10. Edna always had candy or something to give us kids and as youths, she always kept us in line. Praying for Joe.

“ When I think of Edna ~ I think of her sitting with little bus kids beside her. She had a way of making every child feel like they were special. Edna was there the night my dad passed away and she spoke such sweet comforting words. My cousin posted a song today in her honor, and I don't know any song more fitting: "I dreamed I went to heaven And you were there with me We walked upon the streets of gold Beside the crystal sea We heard these angels singing Then someone called your name You turned and saw this young man And he was smiling as he came And he said friend you may not know me now And then he said, but wait You used to teach my Sunday School When I was only eight And every week you would say a prayer Before the class would start And one day when you said that prayer I asked Jesus in my heart Thank you for giving to the Lord I am a life that was changed Thank you for giving to the Lord I am so glad you gave" Edna made a difference in so many lives ~ I know she made a difference in mine.
