“ *I remember going out to the house on Hattie Street here in Anderson when I was younger with Dad and Cousin Eddie would come in and see his mother and we were there. He always was smiling and would give me a hug. The last time I seen him he was in at Ollie's bargain outlet where I work at and asked how I was doing. Going to miss him alot.*

Working with Ed was a blast and quite an experience! We had to laugh or we would have cried! I'll never fforget the big guy! Hopefully Joan will be OK! Him and Joan was made for each other! What Ed wouldn't think of; Joan did? Funny couple? I enjoyed both of them!
