“ *To Mark and the rest of the family, I'm very sorry to hear of your mother's passing. I remember her as being such a vibrant woman. I know for certain we never lose those we love, even in death. They have a presence in every act, thought and decision we make. Your mother's legacy and love has left a permanent imprint in the hearts and lives of those she left behind. Find comfort in knowing she is being greeted by many and is finally "home". I wish I could be there to see you all but know my thoughts and prayers are with you.*
