“ Aunt Kay, Uncle Dick, Troy and Rena, We are saddened to hear of Grandma's passing but take joy in knowing how she will spend eternity. When we used to visit Indiana more frequently we would try to make it a point to stop by and pay her a visit during our stay. She was always so sweet and loved seeing our kids. I have many fond memories of holidays spent with all of you at Grandma and Grandpa's house. I don't know how they managed to squeeze all of us in for those wonderful meals but they always managed. Even though I was not a natural grandson Grandma & Grandpa made me feel as though I was. Heaven is definitely a brighter place today. Please know that our prayers are with you.
