“ Dear Garner Family, We have had the pleasure of knowing Elnora for the past nine years through working at MMCA. She would often come out and talk with us, or bring us a much needed glass of water as we mowed around her unit during hot summer months. She always had a smile on her face and something kind to say. She will be missed, but never forgotten. Please know our deepest sympathy is with all who loved her. Sincerely, Tony and Brenda Swinford
