“ My thoughts and prayers will always be with our entire family. I pray that grandma's pain and suffering came to an end because she's been through an awful lot over the years. I pray that Meme is dancing in heaven and there's no more pain for her. Aunt Patty and Uncle Jimmy have a heart full of gold while they took care of Meme for the last 15 years and they did a tremendous job. I wish there was a way I could repay Uncle Jimmy for all the good things he's done. Uncle Jimmy is a good man in my book and I always enjoy his company when I come to Indiana to visit. My fondest memories are coming from Michigan to visit the family in Indiana over the last 6-7 years. I've enjoyed helping Uncle Jimmy and Aunt Patty rebuild their new house. I remember painting the walls and the ceiling in Meme's bedroom. Meme told me how much she enjoyed the room I painted for her. I really enjoyed the time I spent with Meme in 1994 when we all got together at Aunt Pat's for her birthday. Grandma always says to me "Are ya hungry Jesse" I say Yep, let's eat grandma. Grandma and I never turned down a good plate of food that's for sure. We loved the Sunday morning biscuits and gravy. Back when I was a little boy. I remember visiting Grandma at Aunt Janet's and Uncle Tom's farm. Aunt Janet and Grandma fix up a big country breakfast. I have so many good memories of visiting the family in Indiana. I'm sincerely looking forward to visiting the family in the new year. I'm truly looking forward to Uncle Jimmy and Aunt Pat coming to Michigan and visiting with us. I can't thank Grandma Meme enough for all the good memories she's given to me. I'm truly thankful she blessed me with my Dad and thanks for life Grandma. Rest in Peace Love you always God Bless Jesse Cummings

“ It was Meme if you knew her. The most selfless person I have ever known in my life. I am Janet's son, memel's grandson...and I owe a debt to her that I never can repay. She loved us all unconditionally,was always there when we needed her, and always put her family first. I'm sad but also happy that such a great woman lived to be 89. Meme, you'll greatly be missed by all of those of us whose lives you touched. love always, little weaver
