“ Carol, you have been a fierce fighter for your mother, a caregiver who gave her immense love and loyalty. I know she was grateful for all your care and she knew, too, that she had something to do with raising such a daughter. I had the privilege of being with Erdene 3 to 5 days a week at Silver Club and we always liked each other from day one. She would do anything for fun wear a mustache, sing rock and roll; she once insisted on trying a hula hoop- NOT my idea!. She was loved and valued by every single person. I will miss her terribly. Dianne, you were also a loyal caregiver and friend, amazing in your commitment to both Erdene and Carol and endurance. Thank you so much for making it possible for me to learn so much from your mother. Especially how to laugh. CarolynRose

To the family: thank you for the honor of caring for your mother/grandmother. She was a great person and loved her family more than anything except God, He was #1. My heart goes out to all of you.*
