“ Thank you for creating a place for those who loved and admired this bright, brave, beautiful, talented and tenacious woman! As one of her many nieces, (I'm Patricia Petruschke MacLachlan, daughter of Erna's sister Zenaitta), I'm proud to be related to her and rejoice in celebrating her long and sometimes hard fought life, lived with verve, grace and dignity.

*I wish the obituary had noted that she had been a very gifted professional seamstress totally in touch with the latest equipment and techniques--made obvious to me as she explained a project during a rare visit. I believe she was almost entirely self-taught--just another example of her wit, determination and spunk.*

*I so appreciate her attempt to hold the large and far flung Wetkowski clan together with annual greetings through the mail and with an ambitious first draft of its history and family tree.*

*Cousin Sharon and kin, you are blessed to be her direct descendants.*
