“ Of all my teachers at Whitko High School I will have to say she was one of my favorites. She made learning fun and even though she could be strict at times she was a wonderful teacher and friend. She had a heart of gold. She blessed my life and many others. God Bless her and her family.

“ We moved to Chapman Lake in 1985 and Eunice was our next door neighbor. We have many good memories. She was known as Miss T at Whitko High School and was an encourager to her students and to our children and even our grand daughter, Keylah. Eunice loved to fish. She and her sister, Flossie, spent many hours fishing on Chapman Lake. She taught me how to clean fish. We had several neighborhood fish fries together. She will be missed.

“ I was thinking of her just this year! I wondered if she was still around! She was my teacher at Whitko for business in 1990 or so. She really was good at instilling a love for that! I remember doing the little packets where you had to be each part of a business, doing filing, writing checks and I did mine so fast she just kept giving me more and more! It was fun! Rest in peace Miss T! You were an amazing woman! Thank you for all you did for me!
