“ *JorJean, Sorry I was not able to attend your Dad's funeral. It would be nice to hear from you since it has probably been 40 years or more since we have seen each other. This event has really brought the idea of family closer to me when I was meeting nieces and nephews for either the first time or haven't seen for 20 years.* ”

“ *To all of my cousins, I would like to share with you the fond memories that I have growing up and spending many happy times at your family home in Pendleton. This summer Aunt Eva and I took a ride past your old home and did a lot of reminiscing. I send all of my love to the Miller family.* ”
