“ To the family of June... June touched so many hearts, one of them was mine. She made going to work enjoyable from the minute I walked in the door, there she was. I always walked over to her and gave her a hug and told her I loved her before getting started to work. Her smile is one we will all remember. There was never a dull moment with June, she kept us all in stitches. I just want you to know how much she meant to me and everyone else at Vermillion Place. She was a very special lady. Thank you for sharing her with all of us. We will never forget her. Love always, Christina Musgrave V.P. Companion
