“ *Elaine was my husbands niece, but she was only 6 months younger than me. The Knotts family believed in being together for everything so Elaine and I became friends 58 years ago. We shared ups and downs, disappointments and joy.. The illness that finally took her life was so cruel to her and her husband, Howard. He stood by her every step of the way. Caregiving is not for wimps so in my book Howard Hosier is a Champion. Love Jan Knotts*
