“ My heart is broken. Felix and Luz E. are like second parents. I had emergency surgery and had no idea that we had lost "Pops". My thoughts and prayers go out to his family. Especially, moms. I hope that she can remain as joyful in spirit until she God decides that it is her time to rejoin her precious jewel in Heaven. "Pops" is such a kind and gentle person that I am sure he has reserved a special place in Gods Kingdom. Few people live that hold the spirit of gentle kindness that pops lived daily, and I will miss him greatly. All of my love and prayers forever.
