“ Flora was the sweetest of sweetest ladies. She has been a part of my life since I can remember. She was a shy, humble woman who loved God, loved to sing, play the piano and be around her church friends. She was a Sunday School teacher to me when I was a child. Her and my mom were friends as we, grew up. Flora always had a sweet smile and loved talking about her kids and grand kids. She will be missed, I will miss her.

“ We met Flora when we started attending Parkview Church of the Nazarene about 5 years ago. She was a quiet lady but she had a gently spirit about her. She was a member of the choir and when we joined that we got to know her a little better. She was so dedicated to choir and rarely missed a practice or a service. We got to pick her up or take her home from church a few times after she stopped driving; one Sunday she went out to eat with a group of us in our 60s. We took her to a Mexican restaurant and although she said she had never eaten Mexican she was up for the experience! We don't think she was overly excited about her meal but at least she tried it and seemed to enjoy being with us. I am sorry we didn't follow up with her when she stopped coming to church even though I thought about her from time to time. Our sympathy goes out to all of her family and you all will be in our prayers! God bless you all!
