“ My sister and I were very close. In the last few years we talked about old times. My visits to spend time with her were not often, but we were happy to get to see each other several times during the past 60 years. We were several hundred miles apart. She was a very kind person and I will miss her so much. I loved her dearly. She was a part of a very close and loving family. Rest in peace my dear sister.

I had the pleasure of taking care of my stepmother in my home for the past 4 years. She was so sweet and kind to everyone. She loved to play cards and we did a lot of it. She loved classic country music as well as gospel and Christian hymns. She loved all her children and never thought of us as stepchildren, to her we were her own children. She was a loving mother, grandmother, great grandmother and great great grandmother. She cherished the times she got to spend with all of us. She loved to watch westerns on TV. and would tell me stories of back in the day when she first watched them. She loved my father with all her heart and looked forward to being with him again in heaven. I know she is flying high and happy now. I love you Cindy and will miss you very much.
