“ I will always remember the many times over the many years Frosty and his brothers came to the Lapel Pool and their crazy antics. When I saw them coming, I knew it was going to be a fun day. My heart and prayers go out to his family during this time.

“ I worked with Frosty for 25 years and he always had a positive attitude. It never mattered how much work there was to do, he would always make sure it got done. He will be missed.
