“ Franny was always one of my favorite friends to be around! We always laughed, we always had fun,! She was one of the 6 pack as I always called us! There was Franny, Jackie, Judy H, Judy R, Linda and Toni. We celebrated our b'days, for years & years. We were always so noisy in every restaurant we celebrated! The people sitting near by always envied the fun table with all the loud laughing! Sometimes, we celebrated my b'day at the Lakes! I always felt so lucky having my birthday in August.....we would build a camp fire, take boat rides, fix sausage gravy & biscuits, head to the grocery and stock up on snacks, and plenty of food! I remember one year I took a case of beer.... We drank 2, and I left the rest for the boys! Franny was the sweetest friend I have ever known! My Mom always said, 'There is something so SPECIAL about Franny..... she's the sweetest most precious little gal of all your friends!  
I totally agree! I loved it when her & Judy R came to Florida in 2014 and stayed with me & Pete a week! We had the best time, walked the beach every day, shopped, and drank a few Redds, mostly laughed.... Just had a peaceful laid back week doing whatever came up! She loved it!  
Mickey & Jackie were staying over in Bonita Springs during the time, so we all got together.. Jim, Judy & Arlene came over one night..... FRANNY was always smiling and always so easy going! It was a great visit! So happy she got to come down!!!  
She always tried to buy me things that had to do with golf! She knew how much I loved to play! I will always treasure the gifts, special notes inside her cards, time spent at Paulette's pool, sitting out in my sunroom and my backyard talking for hours. She will live on and on in my heart forever!
