“ Mark, I'm so sorry to hear about your mom, but I know it's been quite a journey for her the past three years or so. You've done a wonderful job as her son and I know if she could remember, she'd say the same. I really miss seeing you and talking to you. I'm sorry I can't come to the funeral home, but I'm working both jobs today and don't have enough time in between. You know my prayers and heart are with you. I thank her so much for the friendship she gave my mom. How sweet of you to mention Goodings. There's so little left of the old neighborhood. It saddens me. I hope you are doing well. I heard you're on 3rd shift. Would like to do lunch sometime if you get the opportunity! Big hugs! Tresa
