“ *I have just learned of Frank's passing this evening and feel a great sense of loss. He has been a great friend and mentor to me for over 55 years. During my teenage years was a second father to me. It gives me comfort to know that I let Frank know how much he has meant to me and influenced my life every time I saw him over the past 10 years. I shall miss him. .*

*My deepest condolences to Tina and the family.
