“ Little did I know from the first time I met Freda at work, that she would become one of my Dearest friends. Sherri and Freda would end up building their home just one street over from Cindy and I. The four of us were there for each other both in good and rough times.

Lots of great times spent with these two sweethearts!

To the Dear Children and Grandchildren, she adored all of you.

Never, doubt for one second how proud she was of all of you.

To the family she loved you deeply, I feel like I know each of you from her stories.

After just losing my Brother unexpectedly like you, lost Freda, I know when it is your time to go onto heaven, it is just thst your time.

Freda, will always be in my heart and the hearts of so many. Freda, I will always see your smile, hear your joyful laugh and imagine you center court at all of The Fever Games till the end of time.

Freda was supportive, loving, caring & she & Sherri & my partner of 21 yrs, Lisa, met with them sev times & shared memories & laughs together. I will miss my buddy “Fred” & hope she knows how much she meant to me! My love, thoughts & prayers go out to Sherri & family. “ I worked with Freda at OrthoIndy. She was quiet and reserved but when you broke through and got to know her she was a hoot. She was funny and kind. I really liked her.
