“ Sgt Clifton was my drill instructor in Ft Knox, Kentucky in spring 1968. Although all of my memories of that time are not fond ( he gave me a week of KP) Sgt Clifton was a very sharp trooper. He had a good singing voice and liked to sound off. I remember his girlfriend would drive up in a light blue VW bug and he'd smile ear to ear. He was serious about his job and good at it. RIP Sgt Clifton.

“ Susan, not sure if you remember me. My parents were John and Terry Fadely. Both of them now passed away. I just saw Gary before Christmas. Talked to me about my dad! I'm so sorry for your loss. Gary was always kind to me when I was a kid at the shrine club.
