“ I miss you Papaw, losing you hurt way worse than I thought it would. You've been the only father figure I've had in almost 25 years. I'm beyond blessed to have had the last ten years with you. Sorry I'm just now posting this Papaw. It honestly doesn't even matter, because you already know how much love I have for you, now and forever. Thank you for everything!! I'll never forget you, you've made a huge difference in my life. I love you Pawpaw 🥹
