“ Cathy - you and your family are in my thoughts and prayers. May God give you peace and comfort during the difficult days ahead. Gary and I went to Washington School together and he was a very nice, friendly person. Then I got to know you, Cathy, and your family. I am so glad that God has allowed me to know all of you.

“ Gary and I have worked side by side for 24 years. We were the best of friends. Life at PQ will be very difficult without Gary's knowledge and his wonderful sense of humor. He was such a pleasant friend. My condolences to his family who Gary loved dearly.

“ I wish to extend my most sincere sympathy to the family of Gary Duckworth. My name is Becky Reichard Collins and I grew up with Gary. I actually attended elementary, Jr. High and High School with Gary. I remember him being very shy, but always having a joke to share. He was the nicest guy and although we all went our separate ways after highschool, Gary will always be remembered with fond memories and as a wonderful person whose path I'm glad crossed mine. God Bless Gary and his entire family.

“ We extend our deepest sympathy to Cathy, Scott, Nicki and their families. Gary was always smiling and had a winning personality. We were neighbors for many years and he was always there if we needed him. We watched his children grow-up with ours. Scott and our son Tim were always riding their BMX bikes, so Gary helped them build a ramp and even allowed them to put it in his yard. Gary was a wonderful father and mentor to the children in the neighborhood. We have fond and wonderful memories of Gary and Cathy as friends and neighbors. John and Judy Samuels

“ I first met Gary at a Maintenance Mechanics Conference held at the Utica Plant. He was such a warm, genuine, and funny individual who had a great time with Arlo Cole and all of the other mechanics who represented the various PQ plants. Then he joined us at safety conferences where he represented the Anderson Plant and the best of safety: practical needs as well as safety needs. My deepest sympathy to the family and especially to Scott and his family in this great loss.
