“ Gary was a man with great love for his family and country as he served his country in the United States Navy.

Grew up with Gary and his brothers Butch and Mike both in Heaven with the Lord, It's amazing with some of the fun we had and no one got hurt or ended up in jail.

Gary and I worked together with Barry Brindle at Peru Tool & Die, besides doing our work we spent time pulling practical jokes on each other and another person that I don't need to mention.

Gary, it's hard to believe that you are gone, you always had a smile on your face and never complained of being ill and always ready to lend a helping hand.

May You Rest in Peace In Heaven with your family that went before you because they will be at the Gates of Heaven to welcome you home. You will be missed my friend by me and many others. Catch you on the flip side !!!!

“ Gary Alan Friend was the father of our two sons and then without hesitation he took on the role as dad to not only Bryon & Tristan, but he accepted Carriss Joy (Clapp) Reath as his own daughter along with his daughter Joyce! They seemed to form a very special bond and if I ever remember one priceless thing, although there may have been a few more, jking, I will forever remember the proud look on that man’s face when he took that little girl of mine which we all share as ours, and he gave her her Father/daughter dance at her wedding to Richard Reath III. He looked like he could burst with joy and pride and I believe I could have right along with him just watching his face light up as they turned I. Father/daughter circles to the song: I LOVED HER FIRST! You did it Gary you got up in front of people and gave her a wish come true that she will treasure forever! Love you for our children! RIP LOVE, JAMIE (Clapp) Lara-V.

I have to add that in this family I have learned from very teaching young men and a wonderful lady they all call mom as well that there is enough love III all these children as well as within ourselves to love one another and be there for each other! Gina my beautiful friend my heart goes out to you and thank you for helping me see that we all are just one big happy family and well I must say I am very proud of you for loving the kids’ father and putting up with him and for showing everyone that love is and will always be enough to go around for all! Gary didn’t leave you alone Gina he left everyone that you call family /friend here to make sure you know each day that you are loved and never alone!

“ *Although I don't remember Gary in school, I did know his brother, Mike. May he be resting in peace. I wonder what those 3 brothers are up to today. I'm sure a joyous reunion and maybe some fishing. I met Gary online through his son and daughter-in-law, Bryan & Kayla. His sense of humor, opinions and causes were very much like my own. I'll miss those posts. Gina, I'm so sorry for yours and you family's loss. Take your grief journey one step at a time.*
