“ Dear Bobette, I praise God that I was able to be part of the Israel Red Bus family with you and Gary! While there, and even now, my thoughts were, "This is a glimpse of Heaven! The people, sights and experiencing Jesus Christ in such intimacy!" Bobette I am so sorry for the loss of your soul mate and husband, Gary. I pray for the Shalom of Yeshua Hamashiee to overflow you and your family! The legacy of Gary and his love for the Lord will continue to impact family and friends for generations to come! I cherish the memories of the prayer vigils that Gary organized while we traveled throughout Israel! That last night in Gallilee, with our large circle of brothers & sisters in Christ declaring, proclaiming & contending for God's will and presence over our country and Israel- wow! Gary was a godly man, a humble man and its with that knowledge, that I'm certain that as he went to be with Jesus, he heard these words... "Well done, my good and faithful servant- Welcome home!" With love, in Christ-- Sharon Joy Gordon 🇺🇸🇮🇱💋💕

“ I have not seen Gary for several years though I have never forgotten the impact he had on my life as a friend and a brother in Christ! He use to always say "Give Him some praise" right when something had happened that was irritating. I made the mistake of starting to say that to my wife in the same kind of situations and now to this day she will say "Give Him some praise" when I am irritated or complaining about something and it stops me in my tracks. Gary, you will be dearly missed though we should be jealous knowing you now reside in the presence of our Lord and Savior! May the family have rest and peace in knowing this!!!

In Nazareth with Sharon, Patsy, Gilda, Shannique and Bobette. Gary is missing in this picture because he is taking OUR picture. Gary was always working behind the scenes finding needs and fulfilling those needs. For example, I (Patsy) was looking for an Israeli flag and he found one for me. Thank you, Gary! When eating dinner with Gary and Bobette, I noticed that Gary would be the first one to get up and get a napkin for you before you could get up. Our prayer meetings in Israel it was Gary who made the arrangements for us (Red Bus and later other buses) to meet and pray for America and Israel---that was Gary's heart. Gary was a true servant of God. I will you Gary!

“What you leave behind is not what is engraved on stone monuments, but what is woven into the lives of others.” (Pericles)
This quote says it all, Gary touched so many lives in his short time here, rooted his family in faith and was instrumental in introducing Jesus to countless people whom he then counted as friends.
Prayers are for Bobette and the entire Hart family. Claudia Haddix

“Wow...what can I say about htis man. I have known him and worked for him for almost 10 years. He became a special person in my life. I have so many wonderful memories with him that I cant just share one. He was always smiling and praising everyone around him. He was such a loving and giving man...would do anything to help you out without question. I am so going to miss him, his smile and cheerfulness, but most of all hearing him say," Lets get fired up!!". Love this man to pieces. He will be missed by so many. My heart as well as so many others is broken right now. Love you Gary !! The Lord has you in his arms now.

“ In honoring Gary's memory, celebrating his life and his love for Israel, we (with the family's approval) are encouraging people to make donations to the Perry Stone Ministry (Voice of Evangelism) in support of their Remnant Dance Team's trip to Israel this summer. What a legacy this will be to Gary and his family for generations to come.

Please make sure that you either put a note in with the check or on the check that you are doing this in memory of Gary Hart and in support of the Remnant Israel Trip.

“ *Gary and I have been friends since the beginning - starting back when we were just little kids going to church with our parents at 14th and Brown Sts. So many good memories of growing up, getting our first cars, our gospel music trio, participating in each other's weddings, the trip to Washington DC with Hope and Bobbette. He was a true friend, always loyal and with a heart of gold. Gary practiced what he believed in word and deed, so many people have been blessed by the life he and Bobbette led.*

“ Our sincere condolences to Bobette, Nathan, Justin and all the family members of the Hart family. I am so glad to have been able to have spent so much time with him and his family. The houseboat trips to Dale Hollow, the events at the campground, his love of desert and eating out. His participating in the "Gong Shows, Skit night, Talent Shows". His love of Krispy Kremes, I benefited so much from his faith in the Lord and his sharing of His word. Some of my most valued memories are from sharing time with him and Bobette and our friends. I have many pictures of all of us getting together that have always meant a lot to me, but now they are even more precious. I could go on and on since there are years of great memories. But I guess I will just say "We will miss you Gary" Say hi to Jesus for me." Love to you Bobette.
