“ My brother in law was Someone I always thought had his best interest at heart ( my sister).  
He taught me how to play chords on guitar and how to love the real country music I was raised on. We played a dice game and he most of the time won cause he knew when to quit while he was ahead .  
Wish we would have made it fishing at Dale Hollow but he completed a lot of his bucket list , fishing and seeing my sis in awe of sites she's never seen .  
Rest Easy in Peace Gary , We will catch big one for you and toast a beer, we know you hated! Lol.  
Rip. Love from Sissy and Tim
