“ *I've known Gary for quite a number of years. He'd come and go hunting on the property. I enjoyed hearing his hunting stories and seeing the pictures of his successful adventures. He had a great sense of humor and I will miss talking to him. Rest in Peace my friend.*

“ My condolences to the Plumlee family. I have known Gary this past year and a half as a member of his pool league team. His knowledge of the game helped me become a much better player. Gary had a great wit and sense of humor that made him fun to be around and I will miss him.

“ Always loved to talk guns and hunting, with Gary. That's literally all we talked about, and his eyes would always light up, when we'd being up certain guns, or hunting. I think he was the one person who knew just as much as me about guns. He will definitely be missed.
