“ Becky, Judy, and Beth, I am soo sorry to hear about your loss. My mom just called me at work and told me. I will not be able to make it today because of work but know that I am thinking and praying for each of you. I know that this is a difficult time and if any of you just need someone to talk to know that I am here for you. I just went through this in August with my dad. Judy if you need anything please let me know. I love you all and sending hugs your way. The saying is how bright the sun shines on the day your loved one is laid to rest shows how special they were..Today is supposed to be a gorgeous sunshiny day, letting you all know what a wonderful husband, father, and grandpa Gary was. Praying for ya
