“ *Jan, Donny, and family,
Sending our deepest sympathy to you all. We are so sorry to hear the news of Gary's passing and wish we could be with you for the service. Please know you are in our thoughts and prayers. Our fondest memories of Gary are the many summers we spent at your home. He always made everything more fun! I know he loved his family very much, and of course his dogs. We will forever remember his smile and his fun loving personality! Attaching a photo of Grandma Brooks and Gary, it's one of our favorites! We love you all, Wayne & Patty, Katrina, Pam, and Patrick.*

“ Dear Jan and Don, all of us out here in California are so shocked and very sorry to hear this news. I know how close all of you are/were. I read Gary's obituary and noted his dogs. We all love our dogs. Of course I remember Ritchie's passing and now Gary. Way too soon. We know Dick is with them both. Wish we weren't so far away and are and will be with you in prayer and thought. I always remember the picture of Mom riding with Gary on his motorcycle....both of them with big smiles. Let us know if you need anything at all. Sending much love...Gary's Aunt Betty and California Family.
