“ I just wanted to write and let your family know that I read about your lost. Death has never been something that any of us can deal with, which leaves you with the thought of whether our Creator intended it to happen in the first place. When I lost my father there were so many questions that came up in my mind as well as a deep sense of lost what helped me, and I am sure it can help you is the comfort from the scriptures, please read John chapter 11 about the resurrection of Lazarus and also Revelation 21: 1-5. I am sure that you will find hope in those promises made by our Creator who the bible at Hebrews 6: 18 says it is impossible for him to lie. M Short
