“ If I knew it would be the last time That I'd see you fall asleep, I would tuck you in more tightly and pray the Lord, your soul to keep. If I knew it would be the last time that I see you walk out the door, I would give you a hug and kiss and call you back for one more. If I knew it would be the last time I'd hear your voice lifted up in praise, I would video tape each action and word, so I could play them back day after day. If I knew it would be the last time, I could spare an extra minute to stop and say "I love you," instead of assuming you would KNOW I do. If I knew it would be the last time I would be there to share your day, well I'm sure you'll have so many more, so I can let just this one slip away. For surely there's always tomorrow to make up for an oversight, and we always get a second chance to make everything just right. There will always be another day to say "I love you," And certainly there's another chance to say our "Anything I can do?" But just in case I might be wrong, and today is all I get, I'd like to say how much I love you and I hope we never forget. Tomorrow is not promised to anyone, young or old alike, And today may be the last chance you get to hold your loved one tight. So if you're waiting for tomorrow, why not do it today? For if tomorrow never comes, you'll surely regret the day, That you didn't take that extra time for a smile, a hug, or a kiss and you were too busy to grant someone, what turned out to be their one last wish. So hold your loved ones close today, and whisper in their ear, Tell them how much you love them and that you'll always hold them dear Take time to say "I'm sorry," "Please forgive me," "Thank you," or "It's okay." And if tomorrow never comes, You'll have No Regrets about today. Dear Mama

I Always's took time to show You every day that I Loved You and I have No Regret.

Just if I HAD ONLY ONE MORE DAY.

MAMA YOU HAVE BEEN GONE 120 DAY'S. THESE 120 DAY'S HAVE BEEN THE HARDEST AND THE LONGEST DAY'S OF MY LIFE WITHOUT YOU. I AM SO SAD WITHOUT YOU & LOST.

WHERE DO I GO FROM HERE WITHOUT YOU.

I LOVE YOU MAMA MY SWEET BABY DOLL.

“ Aunt Geneva, I miss and love you so much. I'd give anything to have been able to see you one more time. I'm a mommy now. I have a lil boy, who is almost 4. I wish you could've met him. I can't believe you're gone. It hurts so much. You were the best aunt ever. You may be gone, but you are never forgotten.

“ God looked around his Garden and found an empty place. He then looked down upon his earth and saw your loving face. He put his arms around you and lifted you to rest. His Garden must be beautiful, he always takes the best. He knew that you were suffering, he knew you were in pain. And knew that you would never get well on earth again. He saw your path was difficult, he closed your tired eyes, He whispered to you "Peace be Thine" and gave you wings to fly. When we saw you sleeping so calm and free of pain, We would not wish you back to earth to suffer once again. You've left us precious memories, your love will be our guide, You live on through your children, you're always by our side. It broke our hearts to lose you, but you did not go alone. For part of us went with you on the day God called you home
