“ I am Marsha Baldwin's sister Barbara, and I wanted to send my family's prayers and condolences to you and your family. I was so sorry to hear about George. I remember coming to your house for Darrell and Donnie's 40th surprise birthday party. We all had such a great time at your house, you and George made us all feel very welcome. Darrell and Donnie loved their Uncle George very very much. My niece, her husband and little girl live across the street from you Kristi, Jerry and Karli Cox. I remember when they were moving into their new house I told them how nice you and George were and that I hope they could get acquainted with you both. Again, I send my prayers to you and your family in this time of sorrow. If there is anything I can ever do for you please just let me know. My ph# is 765-533-2189.

“ I was honored that you invited me to play for George's Memorial. I lost contact with George for several years after he retired. I really wish I would have spent more time with him during the year or so we reconnected. We had many talks on our commute to and from work over the years. Since all my family is in Kentucky George seemed like a long lost cousin to me as well as a friend. He will be greatly missed by all the lives that he touched.
