“ *Though I did not have the pleasure of being in his life long and was not able to visit with him as often as i would have liked I CHERISHED THE TIMES WE WERE TOGETHER!!! He blew me off my feet more than once with his natural prankster kind of personality. We shared some good laughs. He has a great batch of kids, grandkids, and great grandkids that will carry on his memories. May god be with you all and comfort you in your time of loss. Though the time was short know that each of you touched me in your own way and have impacted my life with your loyalty to one another and the strength you all have.. Grandpa George will always be loved and deeply missed by my daughters and myself.*

“ *Hello - John and I want to express to Mr. Jackson\'s family how sorry we are for your loss. John thought very much of him and enjoyed being his friend through Madison Community Bank. George also did alot of work for us in our home and I might add - quality work. We are sorry that we will not be able to come to visitation as John has had some medical procedures done keeping him temporarily at home. You are in our thoughts. Marta and John May*
