“ *Bernie, I am so sorry to hear about George's death. I saw it in the paper on Thursday evening late. I will not be able to attend his funeral. I do want you to know how it saddens my heart to learn of his death. It was the best neighborhood to grow up in. We were certainly lucky to have neighbors who loved us like we were their own. There are no words that will take away the pain. Please know that I will continually keep you in my prayers. Love Carol Johnson*

“ *My family and I send our deepest sympathies to my Aunt Bernice on the loss of her beloved husband. I remember wonderful times spent at Perry's Market when I was a child in the 1960s--also Uncle George's beautiful convertibles!*
