“ Sorry to hear about Bill. He was a good man and a good friend. Maybe now he will be riding those "Siver Wings" he always sang about.

“ I finally figured out why you said you didn't ever worry about me when you worried about others. I was the one determined to not let a boy or man out do me. You respected that and my ability to be what everone percieves as "strong". I'm glad we could talk about planes, cars, books, and all the things we did. I hope you finally are flying those planes! I love you and will miss you!
