“ Jerry was taken too soon for us, I remember the first time I meet Jerry, he always had a smile that would light up a room. No matter what was going on he always had a funny comment to light the mood. My deepest condolences to the family. Even separated by distance, he always knew how to let you know he cared from a distance, always getting a word in, even when it was girl time. Jerry, you have touched our whole family, becoming the best friend and brother to Raymond, being the man who my sister Maria had so much love and loyalty, to your kids and granddaughter who are so loving and who will always treasure your loving ways. I will always be grateful for leading by example having each one of your kids take care of their gram pa John Cordero when he needed them the most. You are going to be missed but not forgotten. In loving memory Love Anna

“ I did not know Jerry that well but I Know his beautiful daughter and his beautiful wife. They are very special to me. He was proud of his kids. We talked a few days before his passing. He was a proud husband, father, Grandpa, and father-in-law. The Waters Family is in my prayers.

“ I didn't know Jerry well but I always look forward to him coming through my checklane. He was a nice guy always and that's hard to come by in this world. The way Christina always talked about him was so wonderful. I know the world lost a genuinely nice man.

“ *Jerry I miss you already. We have been friends for over a decade. I still remember working with you at Tony's and having our daily talks. You introduced me to your daughter and welcomed me into your family. You had always been there for me with advice, a shoulder to lean on, or to show me the lighter side of things when needed. I will always remember you and miss you. Love you Jerry.*

“ *Maria, our most sincere condolences on Jerry's passing. It came as quite a shock to all of us, and to you too, we're sure. Uncle Manuel fondly remembers the special birthday dinner that Jerry prepared when Manuel visited while "on the road" for work. It was a real special treat. Give our love to the family, and call if we can be of any help.*

“ *You were my best friend as well as my husband. I wanted so badly to grow old with you. I can't imagine my life without you. You were the most giving man I have ever know. The last plans you had were on making a dinner for your family. You were forever thinking of something to do for us. I don't know how I can go on without you. I will love you and miss you until we meet again.*

“ *My dad was the most loving father I could have ever asked for. He had a great sense of humor, and never took life too seriously, but most of all he loved his family, and would do anything for them. He always put us first. I love you dad, and I hope you are finally free of pain, and can finally rest.*
