“ *Tonya,  
We are so very sorry for your loss. Gerry was like family to my parents ( Gale and Kiku). My mom is heartbroken to learn of his passing. She has always spoken so highly of you and Gerry. He meant the world to them and was always so kind and helpful. She is unable to get out these days but wanted you to know how dear he was to them. They treasured every minute they spent with you both and still reminisced of those good times.  
May his wonderful soul now rest in peace. Bless you and your family during this time.
