“ *To the Family,
Mom and I (Becky) sat last evening and reminisced about Florida Station and the many services and events at which our families were so highly involved. She spent time talking about Glendola and what a sweet, sweet spirit she always had.
We know Dad would be with you today at the service, if he were here; but we know he is welcoming Glendola to her new home.
Mom wants you to know her love and prayers are with you, as are all of ours.
From your old friends,
The Ledbetter Family*
