“ Thanks all of you once again who attended the memorial service , or took the time to remember mom in your sympathy cards or even in your thoughts. She was a person who really cared about people and wanted to be their friend. You have made this difficult period much easier for Jerry and me. Thank you.

“ Gless was a "hero"ine to me, also. I admired her positive attitude, independent spirit and love for Jesus and her family. I commend Jerry and Tom and their families for the way they honored their mother-- not only by the newspaper obituary and memorial service, but by opening their homes to her to spend her last days on earth with her loved ones. I pray that the wonderful Christian legacy she passed on to you will be cherished and go on for many generations. God bless you all.
