“ I have known Gloria for 44 years, 42 of which Henry and I have been married. I always admired Gloria for the hard working and talented woman she was. I am proud to have been her daughter-in-law and will miss her terribly and regret that there was so much more I could have learned from her. My children are truly blessed to have had two grandmothers well into their adult lives. Love you Mother

“ Aunt Gloria at least I called her an Aunt was a very special person to me. We shared many family tree stories and much information. A large space is empty in my heart at losing her and the friendship we had. I wish I could be with the family at this time to let them know how much I loved their mother, grandmother, or aunt. My prayers are with you all for you lost the most of all. janie

“ My Grandma was a wonderful and Stron Women! she was always full of stories and good advice. As a Caterer she had several sayings but the one I rememver the most had to do with desert. "If you have to ask, you don't need any" was her favorite response to anyone asking her what there was for desert. "What you ask for, You do not have to work for" was another quote she used often. I will miss her, but i know that after a 20 year absence; she is now back with my Grandfather. they were such a great couple! true examples of love and friendship! we love you Grandma!
