“ Paula Although I never met your mom, she sounded like a wonderful mother and wife who loved her family unconditionally. I know that your family will miss her dearly and that right now there is not much that one can say at a time so painful as this. I hope that knowing you have the support of your friends/extended family at work will help you get thru this. I am here for you, even if it is just to lend you my ear. Love, Aretha aka The Mean Girl

“ Paula and family, You are in my thoughts and prayers. "To be absent from the body is to be present with the Lord!" Know that your mother is in a better place looking and smiling down on you. May God continue to bless you and your family.
