“ *Faye and Family,*

We are so sorry to hear of the passing of your precious son. I know there are no words to ease your pain but please know that you and your family are in our thoughts and prayers. I remember meeting Greg at the Hurt Family Reunion and he had the sweetest and most thoughtful personality. He was so kind. I remember him being really happy to meet cousins and family he hadn't met before. I pray you will feel God's arms around you during this most difficult time and that your heart will feel peace and comfort during the coming days. Your son was such a beautiful presence in the world. He will live on in the hearts and minds of all who knew and loved him. We Love You Faye. Your Kentucky Family
