“ This is John Porter

Words can not say how sad I am at this moment, I grew up my teenage years with Greg , I shared some pictures of him and me . I went to Canada , Niagara Falls all over the US in the band with Greg and had some of the best times of my youth with him. We Graduated together. He was a awesome Drummer and a awesome person. Unfortunately I recently had an injury to my shoulder and regret I can make the long drive home to say goodbye to Greg, but to his Wife , Pat and Mark I send Love from me and my Sister Linda and our deepest condolences ❤️

“ I was stunned to see this news when it arrived in my Anderson Facebook feed. I remember that he played drums in the band, I probably have photos of him somewhere. Sounds like he has had a wonderful life but gone way too early. Sending Mark and his Mom our deepest condolences. Regards, Karen & Brad Gray
