“ Dear Roger, Doris and Family. I am sorry for the loss of your Mom. I know it hasn't been easy for some time. I enjoyed the visit that Mother and I had with them some years back. Your Mom was nursing your Dad at the time. He had gout. Your Mom was a very special and vital part of the Tennessee group. She was always helping others. I remember all the food she brought to Mom's when dad passed away. The write-ups in the newspaper were a joy to my Mom. She didn't leave anyone out. Sorry we didn't get to come to the funeral home. I told Etta Dean we were in a major mess with no water and a dead well pump. I would like to donate to something in her memory. God Bless your family at this time. Sincerely, Brenda and Larry Hovermale
