“ *Mrs. Fraley was a beautiful woman who always made you feel loved. She was truly a jewel among women. Your family has my thoughts and prayers as you go through this difficult time.*

“ *Gwen was my grandmother, or as we all called her "Nana". She could always brighten my day with her smile, or with one of our talks. She was the rock in our family who was always there for all of us. She was a very Godly woman that knew the Bible front to back, and prayed a lot. I am so thankful to have had her for my Nana for over 33 years of my life, and that she was such a large part of my children's lives.*
