“ I remember Mrs. Gustin as my first grade teacher at Franklin. She made a great impact on my life, and she was one of the best teachers that I had. She was a great lady.

“ To Jay and Jeni and to Lisa and families, I am sorry but I will not be able to come to the graveside services due to other commitments. I do want you all to know that you are much in my thoughts and prayers because of the loss of Gwen. I have never met any of you but I feel like I know you from hearing Gwen talk about you. I never knew her very well until she began coming to the Middletown Church a few years ago. She was a friend of the Franklin family and grew up there at Middletown and went to church with Harley, my husband, and all the other kids their age. We talked a lot on the telephone until I got so I couldn't hear her. I visited her a few times but she always talked about you grandchildren and your families and how good you were to her. I am sure you will miss her a lot but you know you did all you could for her. Sincerely, Freda Franklin
