“ Wayne was one of the truly great gentleman I have known. As a bus driver I worked with him as I was in charge of our athletic buses. You could call him almost any time and he would either tell you what to do or come out and fix the issue. When he drove he was very professional, the bus never moved until he did a bus inspection. He was always on time and knew how to get everywhere. He was used by almost every school in Anderson for field trips, athletic events or any time a bus was needed. Always cheerful and positive even when his wife and daughter were both ill. I will miss him. Randy Stomps

“ I knew ‘Wayne’ as a fellow student at Anderson High School in the class of ‘64. He sat behind me in several classes. His story of military service and returning to finish high school was very inspiring. He was a very special man who will be missed by many.
