The tribute was beautiful, great job. It really touched my heart and made me cry when I saw him and Jordan together. Very touching.

“ Just wanted to let you all know our thoughts and prayers are with you all. We are all sorry for your loss. Its funny I think back to all the little things about Red like him and I arguing about different teams that I like and that he liked, we would go on and on. But I do know he always wanted the best for my son Jordan Michael. And he loved him very much. Red and I would give each other a hard time about all the time just to be funny in his own way. I know he will be missed by many. I can only imagine what he seen the day he found Jordan. From that day forward I know it was very hard for him to amagine what he thought when he was thinking on a day to day basis. But now again he is back with Jordan, Im sure talking sports or maybe even agruing. LOL He is no longer in pain either physical or mental because he can see clearly and Jordan and Red can look down on all of us and try to guide us and protect us the best they can. Thought and Prayers are with you all. Stay strong and keep your heads up. He loved each and everyone of you and knowing him he is in heaven looking down and smiling down on all of you. Take care guys. RIP Harold E Hutton (Red) you will be deeply missed and never ever forgotten.
