“*Nayleen & Family~ I just recently learned of Dean's passing. I loved the picture of him on this website, as I still remember his great smile. We had some good times back in high school, and over the years as I would stop in and visit with him when I passed through Anderson. He did love his sisters! I had not talked to him for quite awhile, but I enjoyed keeping up with him over the years. My sympathy goes out to you and your family for a true loss! Take care, Lukie*

“*Hi, my name is Tracey & I worked at Hollon's Pharmacy in Anderson until we closed in April. I was a cashier up front & Dean was a frequent customer with his lottery purchases. We all enjoyed it so much when he came in the store. He was very funny & made all of us laugh. He will be missed by Shirley, Betty & me, the cashiers up front. To his family, I am so sorry for your loss. Dean was a wonderful person & a joy to be around. The world has lost another voice filled with laughter. Thank You.*
